

Child Abuse and Neglect Hotline & Procedures

While any concerned citizen may report child abuse or neglect, Child Care, Youth, and Early Learning Professionals are required by law to report child abuse and neglect.

Kansas Child Care, Youth and Early Learning Professionals -
report suspected child abuse and neglect by calling:

1-800-922-5330

When reporting child abuse or neglect, it is important for child care providers to collect the following information:

- The child's name, address and date of birth.
- Names of the child's parents or other individuals responsible for care.
- The nature of the suspected abuse or neglect, including when and where it occurred.
- The nature and extent of the child's injury.
- The name(s) of suspected abuser(s) and their relationship to the child (parent, teacher, etc.).
- Any other information you think may help!
