Our community friends help us stay safe, all day long

Stop drop and roll, Stop drop and roll
The firefighter says stop drop and roll, all day long

The Police officer says "Let me help" (Put hand to head and act as if you were tipping a hat

The Police officer says "Let me help", all day long

Kitty in the Tree!
Beep, beep, here comes the fire truck (fingers flashing like a light)
My kitty's' up in the tree and she is stuck (pointing up)
Put your ladder way up high (walk fingers up the ladder)
Bring kitty down so she won't cry. (rub eyes)
Beep, beep thank you, fire truck (fingers flashing again)
My kitty's is down and she's not stuck! (cuddle kitty)

Fire Fighter Game
Fire Fighter, Fire Fighter
Hear the alarm
Save the building
From any harm.
Fire fighter, Firefighter
No time to rest
Wake up, Wake up
Do your Best!
Sit all children in a circle; have them put their hands behind their backs. Place one in the middle to be the firefighter and pretend to be a sleep. Have children recite poem and place a bell in one's hands, they ring it and return it to you. When the poem is done, the firefighter guesses who rang the bell. And then it is their turn to be the fire fighter.

Street Lights Game
Explain to children that red means to stop/danger, yellow means to go slow and use caution, and green means it is safe to go. Line them up on one side of the room and with one child (The Street Light) on the other side. The Street Light says red, yellow, and green to make the others walk toward the light. All the children try to make it safely to the Street Light.
