## Online Training Opportunities

Child Care Aware® of Kansas Online Learning courses are designed for busy early childhood professionals. These courses meet annual KDHE training requirements for Licensure as well as training requirements for the Child Development Associate (CDA) credential. Find courses that provide information and ideas for activities with children, such as:

### Childhood Obesity

Learn the causes of childhood obesity, as well as prevention and treatment methods. This course will also address health risks and emotional issues associated with obesity and the benefits of living a healthy lifestyle.

### Physical Activity for Children with Disabilities

This course discusses the importance of physical activity for children with disabilities. It also covers inclusion within the child care classroom and provides guidelines and strategies to modify activities to encourage a healthy, active lifestyle.

## Early Childhood Wellness Newsletter

The Early Childhood Wellness Newsletter is a monthly newsletter that is distributed electronically to child care providers. It includes helpful information focused on physical activity and nutrition. Also included is a "clip n' share" recipe - a great resource to share with parents!

Contact a Child Care Resource and Referral (CCR&R) Agency for more information. [Click here](#) to view issues
