

## Employment Opportunity: Community Consultant (Links to Quality)

---

The Community Consultant delivers services that support child care programs and providers to improve program quality with a high focus on achievement, review, and assessment of child care provider-led quality improvement goals focused on strong business practices. Other areas of responsibility include collaborating and supporting providers by building peer support networks, including facilitating group meetings, and ensuring quality improvement grant awards are successfully achieved.

For over 30 years, Child Care Aware of Kansas has been working hard to develop programming and build systems that support young children, families, child care providers, and communities. Each team members' workday is different and full of opportunities to contribute to our mission: *To provide statewide leadership that builds a diverse, high-quality child care system.*

If you have strengths-based coaching experience, a strong knowledge of child care business practices, enjoy a high level of people interaction, are willing to work independently in a creative, fast-paced environment, have a commitment to communication and collaboration, and want to contribute to high-quality early learning environments - then please apply for the Community Consultant position!

*This position is grant funded. As with any position, we actively work to secure continued support.*
