

Employment Opportunity: **Grants Coordinator**

The public health pandemic has identified new needs in the early childhood field. Child Care Impact Grants are available to assist child care programs with health and safety needs and facility improvements. The Grants Coordinator will oversee all aspects of grant administration, including promotion and launch, technical assistance for grant seekers, technical and formal grant reviews, notification of award decisions, payment of funds, and required reporting.

For almost 30 years, Child Care Aware of Kansas has been working hard to develop programming and build systems that support young children, families, child care providers, and communities. Each team members' workday is different and packed full of opportunities to contribute to our mission: *High-quality early education is available to all Kansas families and children.*

If you think you'll enjoy managing all of details of a comprehensive grants project implementation plan, have a strong commitment to communication, documentation and follow up, and want to contribute to high-quality early learning environments - then check out the *NEW* Grants Coordinator position at Child Care Aware of Kansas!

The funding for this position is currently in place through June 2021. We are actively working to seek renewed support to continue the position beyond June.
