What Type of Child Care Do You Prefer for Your Family?

**START HERE**

Do you prefer a facility that is more structured or more relaxed?

- **STRUCTURED**
  - **Yes**
    - Do you prefer a more structured drop off/pick up process?
      - **No**
        - Do you prefer all children to be of similar ages or varied ages?
          - **Varied Ages**
            - Do you prefer to be able to call and text to get updates during the day?
              - **Yes**
                - Do you prefer your child to be transported?
                  - **Yes**
                    - FAMILY CHILD CARE HOME
                      - Family child care homes have one adult who cares for as many as ten children at a time, depending on the ages of the children, which can vary from infant to school age. Some family child care homes transport in order to drop off/pick up school age children. These facilities are often less structured during drop off/pick up times, and allow for more flexibility in days & times care.
                  - **No**
                    - GROUP CHILD CARE HOME
                      - Most group child care homes have two adults who care for as many as twelve children at one time, depending on the ages of the children, which can vary from infant to school age. It is more common for group child care homes to transport, since there is more than one adult. These facilities are often less structured during drop off/pick up times, and allow for more flexibility in days & times care.
              - **No**
