This program is available to pregnant women. To be eligible, you must be a Kansas resident. You also must be a US citizen or eligible non-citizen. If you are an ineligible non-citizen you may be eligible for a program called SOBRA. SOBRA may provide coverage of emergency services, including labor and delivery. If applying for SOBRA – labor and delivery, apply after your baby has been born.

Your family size is usually determined by your income tax unit. Your unborn child is also included. Your family size may also include your parents if you are a minor or they claim you as a tax dependent.

**ASSETS**

We don't count resources or assets for this program.

**INCOME**

The income of all individuals in your family size is counted. This includes wages from a job, self-employment, unemployment benefits, and Social Security (except SSI). This may also include your parents if you are a minor or if they claim you as a tax dependent.
